

Composer

Author

Composer: One who composes; one who writes an original work, as distinguished from a compiler; an author; also, one who forms tunes, whether he adapts them to particular words or not.

Sentence _____

Author: One who produces, creates, or brings into being; as, God is the author of the Universe.

Sentence _____

These were created to be headers in the lapbook. A definition and sentence to be written are included for added value. 😊
